## Faculty Reports

- Dean Barone
  - 125th anniversary of EMSOP
    - New building will be ready for occupancy September 2017
    - Opening will be on the celebration of the 125th anniversary
    - Want students to be part of the anniversary breakfast
  - Overview of building plans
    - General
      - Two story building
      - Will be renovating the laboratory space rather than building an additional third floor
      - If we need more laboratory space, we can use available medical school space
      - Class size will not increase and will remain about ~200-250 students per year
      - Scheduling
        - Everything will be scheduled in the old classrooms until we receive the certification of occupancy and can move classes into the new building
        - Holding onto the classrooms in the event the construction does not complete in time
      - Curriculum revision
        - Will parallel the new rooms, equipments, and facilities of the building addition
        - Part of the revision will roll out with the inauguration of the building
        - Curriculum changes have to be gradually phased in
      - Important dates
        - Thursday March 16: P4 and Alumni Happy Hour
        - Saturday April 29: Rutgers Day
        - Tuesday May 16: EMSOP Convocation
        - Tuesday September 5: First day of classes, 125th anniversary breakfast
        - Saturday October 21: EMSOP Tailgate (P4)
    - First floor
      - Interprofessional teaching/community practice space
        - Worked with Walgreens and other sponsors to get new technology and equipment
        - Students will have an opportunity to learn about telepharmacy
      - Patient assessment room with simulation mannequins
      - Community practice lab
      - Atrium - comfortable seating and environment
      - Two 250 student lecture halls
      - Small group conference room and teaching rooms that can be reserved
      - Considering to have a coffee shop run by an outside approved vendor with a 2-3 year contract in the empty space
    - Second floor
      - 60-student classrooms
      - Mock admixture lab
      - Simulation suite
      - Administrative suite - student services and Deans' offices
      - Study rooms that overlook the atrium
